Case Type: Assault 4th Degree

On 07/28/2016 at approximately 1645hrs I was dispatched to take an assault report. I was told the victim was waiting at the police station for officer contact.

Upon my arrival I met with [REDACTED] (Victim) who advised he was a registered nurse at Cascade Behavioral (12844 Military Rd S). At approximately 1300hrs [REDACTED] was assaulted by a patient by the name of [REDACTED] while inside the 2West Wing. [REDACTED] stated [REDACTED] grabbed him with both hands around his throat and began to choke him. [REDACTED] said he did not lose consciousness but yelled for help and it took several staff members to remove [REDACTED]'s hands from [REDACTED]'s neck. [REDACTED] provided a written statement in an email. I printed the email and attached it to this case. [REDACTED] explained that there is an unwritten rule at Cascade Behavioral that staff should not call 911 for these type of incidents; and this was why there was a delay in reporting.

Based on [REDACTED]'s statement I issued Criminal Citation # 6Z0808044 to [REDACTED] for Assault 4th Degree and forwarded this case to the city prosecutor.

CERTIFICATION: I hereby certify (declare) under penalty of perjury under the laws of the state of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085).
